Miss Doris Dana,
204 East 20th. Street,
NEW YORK

Dear Miss Dana,

After a rather cordial conversation I had with you over the telephone I believed that you would agree to work with and through me. Whatever the situation, you will be aware that I passed several offers and that I could produce money for the Estate of Gabriela Mistral, perhaps more than she received during her lifetime. However, if for any reason you are not prepared to entrust me with any copyright sale, will you very kindly inform me accordingly so that I, and my clients, may know where we stand. Perhaps you are travelling, but you will understand that it is a bit difficult for me to be without answers to three letters. Furthermore, Espelusz are worried because they paid the US\$50.-- but you did not return the receipt. Whatever the situation please send it to me or to Espelusz direct.

Thanking you very much for your attention and hoping to receive a line from you by return of airmail,

Yours sincerely,
