Señora
Olaya Errazuriz de Tomic:

Tan querida Olaya:

I was deeply moved by your generous invitation to come to Chile for the Inauguration of the house in Montegrando which will be the future home of the FUNDACION PREMIO NOBEL GABRIELA MISTRAL.

You can imagine how much I want to be there ! And how much I celebrate all your accomplishments on behalf of the FUNDACION and our beloved Gabriela. Gilda Perdelá has told me much of your activities and efforts which are splendid.

I regret that I will not be able to accept this invitation since at that time I will be on board the ship "Seabourne Sun" (Cunard Line) starting from Los Angeles, California, on a 56 day trip around Latin America. On January 31st, 2000, the ship will stop for one day (from morning until 5 p.m.) in Valparaiso. I hope that you might be able to come to Valparaiso at that time and I could have the joy of seeing you again.

Thank you for the lovely gift you sent via Gilda. I shall treasure it.

Again, I want to thank you for your generous invitation and to tell you how much I appreciate it. All your beautiful family -- Don Carlos and Dona Carmela, you and Radoziro -- were so loved by Gabriela and her gratitude was profound. You know well, dear Olaya, that I also will always feel that same gratitude and love.
