Dear Miss Dana:

Representatives of several educational and cultural organizations have come to see me recently with the request that the Institute invited you to participate in the dedication of a monument to Gabriela Mistral, in Monte Grande, September 11th.

The Institute would be only too glad to respond generously to these requests but our budget does not permit us to offer any financial assistance, especially since we are in the midst of a building program, which is even now being delayed through lack of financing.

I presume you are familiar with the design of the monument and have been advised through other sources of plans ~~for~~ the dedication. In any case, I am enclosing a circular from the Intendencia's office which contains a few details.

Again, I sincerely regret that the Institute will not be able to sponsor ~~x~~ travel to the dedication, but together with many others of your friends hope very fervently that you will be able to attend.

Sincerely yours,

Wendell H. Hall
