Mr. John San Antonio, City Editor
LONG ISLAND PRESS
92-24 168th Street
Jamaica, New York

Dear Mr. San Antonio:

Would you be interested in the enclosed material
either for a book review or for a feature story?

Since Gabriela Mistral, the Nobel Prize winning
poet from Chile, lived in Long Island during the last five
years of her life, and since I myself am a native of Long
Island, this material might have special interest for the
readers of this area.

I have also sent information on this to Mrs. Clara
Doctor for a possible Woman's Page article. However, it
occurs to me that you might care to review the book in your
book section or use it in some other way.

I have a vast amount of photographs, manuscripts,
etc. which I can make available to you, should you be
interested in a story on this.

Sincerely yours,

Doris Dana
