I thought you'd like to see what Marwin has written for us. It arrived in our mail today, fortunately in time for us to include the underlined portion on the cloth and paperback jackets. Or rather, I've asked production to do this, and they judge that there's sufficient space on both jackets to include the quote without any problems.

And of course we'll plan to use the quote in the ads which remain to be done, unless he decides to send us an additional, and better quote.

Nothing more for the moment, but I thought you'd like to see this right away.
