Dear Doris,

Q
A I'm so sorry - I kept stressing the need to send Xerox of the jacket design (Gabriela's head with the type in place) to Frasconi so much that in the end the production department sent one off to him but forgot to make me a copy for my file or for you. I do trust Jim Johnston and Vicky Dudley, our new Chief Designer, absolutely, so I know it will be right.

As I think I mentioned to you, I saw Vicky's first design and felt that the words "bilingual edition" were too large. She has reduced them, but felt it better to retain them than to drop them because they helped to follow out the hollows of the woodcut. I'm sure you will agree.

We are really in the last stages now - with books promised for May 14!

All best wishes.
