Dear Miss Dana,

Thank you very much for your kind letter of September 12th. We are very glad indeed to hear about Miss Mistral's appreciation of our country and our firm and thank you very much for conveying her kind regards to us.

I have now investigated the matter about the best way of transferring the amount due to Miss Mistral and have found that it should be transferred in Swedish crowns to Miss Mistral's address in Mexico to be exchanged there in Mexican pesos. We are thus asking for permission of the Swedish authorities to transfer the money and hope that the amount will reach Miss Mistral without delay.

Asking you to convey our best regards to Miss Mistral I remain,

Very sincerely yours,

Harriet Marcus
