Dear Doris,

Life being short and time being precious, I am sending the original correspondence with the Jugoslovenska Autorska Agencija re. a Serbo-croat edition of Gabriela Mistral's poems. Will you please study particularly the list of poems to be included in the proposed work.

As to the terms, I think we might as well accept them since they are more or less state controlled.

Please return to me the whole batch of original material and if all is well sign the two copies of the contract which we have tentatively made up.

Yours,

Joan
