Re: Gabriela Mistral

Dear Mr. Kalas,

We have received from Miss Doris Dana, the executrix of the Estate of Gabriela Mistral, the final versions of both EL CANTO and RIQUEZA which the State Publishing House of Fiction and Art want to include in their edition of Gabriela Mistral's poems. Please note and bring it to the attention of the publishers that the second poem's title is RIQUEZA, not DOBLE TESORO. At the bottom of each copy you will find a note (in parentheses); these are for the publishers' information only and should not appear in print in the volume. We are also enclosing the publishers' copies of the two pieces in question. They are full of mistakes and misspellings and should not be used.

Sincerely yours,

Karin Schroeder
