Re. Czech edition of selected poems by GABRIELA MISTRAL

Notes made by Doris Dana

- 1) Book titles should follow the original book titles, as published by Gabriela Mistral, and not titles of other people's anthologies (such as "Recados" - Editions Magraner, Paris 1948)
- 2) "Doble Tesoro" and "El Canto" (listed under "Recados") do not appear in any Spanish book authorized by Gabriela Mistral. Possibly they have appeared, but with different titles. I would want to see these -(I assume the versions they have in Czech are from the French)- before giving authorization for these two poems.
- 3) Under the book heading of TALA, "Sol del trópico" and "Cordillera" appear as two poems under the heading of "Dos Himnos". I have arranged this accordingly in the Table of Contents that is attached.
- 4) All the poems which they had listed under the caption of POEMAS INEDITOS were published in LAGAR, Editorial del Pacifico, Santiago de Chile, 1954. The only poem of this group of seven which is still unpublished as of this date, is La Liara. This is from Volume II of LAGAR and will be published as part of LAGAR within the next three months. They can either leave it listed as "Poema Inedito" -- or they can include it in LAGAR -- as they wish.
