1637 Louise Ave.
Brandon, Manitoba, Canada

Dear Mrs. McKay:

I want to thank you again for your kind thoughts of me.

Several of my books have been published by South American firms, of which I list a few:

Ternura (poetry about children) by Editorial Argentina, Espasa Calpe. Brentano's in New York may have a copy of this.

An Anthology of my works is published in Chile, Editorial Zig-Zag, in two editions, standard and luxury

Biography of My Life, author, Norberto Pinilla, published by Tegualda, Molina 50, Santiago, Chile.

The Instituto de Las Espanas, of Columbia University, New York City, has published a bibliography about four or five years ago.

All of these, however, are in Spanish. As for English translations of my work, several poems are published in different collections of South American poets. You may find these in your library, or write to the Library of Congress, Washington, D.C., for a list.

Thank you again for your kind interest in me and my work.

Sincerely yours,

Gabriela Mistral
