Professor Morley
Spanish Department
University of California
Berkeley, California

Dear Professor Morley:

I regretted very much that I did not have the opportunity yesterday when I was visiting the University to stop by and pay my respects to you. This honor and pleasure I shall have to forego now until my next visit, when I hope you will grant me a brief audience.

Meanwhile I wish to send you my respectful greetings and my deep appreciation, for as a writer and Consul I recognize the debt of gratitude which all our peoples owe you for the fine work which you are carrying on there in your Department of Spanish for the advancement of the Spanish language.

Faithfully yours,

Gabriela Mistral
