June 11. 57

My dear Doris - We just read with  
deep sorrow in the Jamaica paper  
of the death of our dear Gabriella.  
and want at once to send you  
our heartfelt sympathy.

What a privilege however it  
was for you to have been able  
to live for so many years  
with this fine + great spirit.  
And what a comfort you  
have been to her in her last
