Dear Doris,

I was very much shocked to hear the passing away of our very dear and esteemed Gabriella. I could hardly believe this news. It is a great loss to us and to the entire world.

Dear Doris, I hope you are feeling fine. I know how hard it is for you to hear this. However, as your friend, I wish that you take the death of our very dear friend in a philosophical way.

She is eternal in spirit - and immortal in her achievements on this earth. May God grant her eternal peace and bliss.

I feel great emptiness in my life. For years I had longed to see her, which was realized last year. Her affection and kindness to me were real inspiring. I miss her, and will continue to miss her. I was thinking of coming back to your place to see her in spring, 57.
