Dear Mme. Mistral,

I must thank you very much for the telegram addressed to me here in London asking for a protest to be made by the International P.E.N. against the iniquitous imprisonment in Buenos Aires of Victoria Ocampo. I read your telegram at the Executive Committee meeting held in Dublin on June 8th, and also subsequently to the full Congress and it was unanimously agreed to send the following telegram:

"XXVth Congress of International P.E.N. meeting in Ireland deplores and condemns arrest and imprisonment of great cultural leader Victoria Ocampo and notes with satisfaction her release".

I recall with great pleasure our conversations in Venice and hope that it will not be too long a time before we again have the opportunity of meeting.

Yours sincerely,

International Secretary.
