Dear Señorita Godoy:-

We are writing you to ask your kind permission to reprint two of your poems, namely "CAPERUCITA ROJA" and "PIECESITOS" in one of the volumes of our twenty volume "EL TESORO DE LA JUVENTUD".

As you probably know, this is the outstanding set of books for children, which has been translated into many different languages, and is sold in its Spanish edition through South America. It is commonly known as a children's encyclopedia, and consists of fourteen different sections, one of which is the Poetry Section. It is in this Poetry Section that we would like to place these two wonderful examples of children's poetry.

There is no doubt that the inclusion of these poems will enhance the already recognized worth of this great set, and at the same time it will, we believe, add an increased radiance to the great prestige which the name of Gabriela Mistral already enjoys throughout Latin America.

Yours very truly,
