Mrs. Gabriela Mistral,
Consul General,
Chilian Consulate,
Los Angeles, U.S.A..

Dear Mrs. Mistral,

I am in the process of compiling a Symposium, which is to make available the thoughts of some of the great world intellectuals on some of the most pressing problems of the day. These thoughts will be expressed in the form of replies to a uniform questionnaire.

I am taking the liberty of enclosing the first draft of the Introduction to my book, which is self-explanatory, and which contains the questionnaire.

The following lists some of my selected contributors whose replies have already been received, or whose replies have been promised, and I am most anxious that your views should be included:-

Prof. Karl Barth	Mons. Georges Bernanos
Prof. Arnold Toynbee	Prof. Albert Einstein
Prof. Benedetto Croce	Prof. Max Huber-Escher
Herr Hermann Bessie	Mr. Toyohiko Kagawa
Dean of Chichester	Mrs. Sarojini Naidu
Mr. Thomas Mann	Mr. Pandit Nehru
Lord Bertrand Russell	Sig. Ignazio Silone
Dr. Albert Schweitzer	Mrs. E. Roosevelt
Dr. Lin Yu-T'ang	Mons. Andre Malraux
Mons. Andre Gide	Bishop Bergrau
Mr. Jan Masaryk	Prof. Karl Jaspers
Sir Sarvapalli Radhakrishnan	etc. etc.

Will you answer these questions, and could you let me have your replies at your earliest convenience? I would also greatly appreciate your letting me have a photograph of yourself for inclusion in the biographical section of the book.
