Dear Doris;

En primer lugar--thanks for the invitation for Christmas--as of now I don't know where I'll be, but "en su debido tiempo" I hope to be more explicit.

Return the bet--circumstantially--you can pay me when you receive your first salary check whether it be from television or farther South.

I just received a letter from Mexico saying VERBURA (Colección Austral) is no longer in print.

I include a clipping of the new developments in copyright in the U.S. Now the problem is with "Una palabra" on the l.c. recording of gm but never published. We are going to multilith that and request the copyright in Gabriela's name.

I haven't heard from "la guagua"--the day after she left (Monday) we had a very cold wave hit us. All day Saturday and Sunday she never vacillated in her urge to go South. The lunch with the Ambassador on Saturday was very simpático... He didn't have the book on O'Higgins that gm wanted. gm dedicated a TALA for him.

As soon as I have time I will send you a list of books that gm wants to order--books she found here; some of them I think she has in Melsyn.

I think with that series of "jote" all important ^{gm's} points are covered.

How is your "program" progressing? I suppose there's no way out--I'll simply have to buy a television set to keep track of you from now on. And the green car? I COMPLETELY forgot to ask Gilda about it.

By the way, WE were worrying a little about you when you didn't answer the phone Sunday morning. Now you shouldn't leave the CONSULATE unattended!!

Very late--no more typing - I just made a very good recording of Hazel... singing Solweig's Song in German... so far the best I've heard.

Un gran beso para mi novio al dignitad...

Mucho love

M.B.
