Miss. Doris S. Dana
204 East 20th Street
New York City.-

Dear Miss. Dana:

We are practically ready to start the legal procedures in connection with Gabriela Mistral's estate, the only thing that is pending is that we have been unable to obtain the information from Editorial del Pacifico in connection with the royalties they possibly had in favour of Gabriela Mistral at the time of her death.

In the meantime we have got in touch with Convento de San Francisco and they are ready to collaborate in this matter.

We have received from the person in charge of the La Serena property Ch.\$ 156.300.- corresponding to the rents for 1958. We have also received Ch.\$ 642.809.- from Empresa Mitora Sigs Sag corresponding to royalties up to July 1958.

The expenses for the legal steps taken in connection with this estate will be charged in the account which we have opened, as it was Gabriela's decision that the estate should take care of the expenses.

In due time, unless otherwise instructed by you, we will deliver to the Convent of San Francisco the balance.

Miss. Dana

Awaiting to hear from you, we remain, dear

Yours very truly,

CLARO Y CIA.
