Miss. Doris Dana
204 East 20th Street
New York City.-

Dear Miss Dana:

The legal proceedings connected with the estate of Gabriela Mistral will be finished in the near future.

According to the will, the property in La Serena will be placed in the possession of the Order of San Francisco. We will also place in their hands the medal and diploma which are in custody in the Banco de Chile.

We will also contact Empresa Editora Zig Zag S.A. and Editorial del Pacifico S.A., so as to pay to the same Order all the royalties due after her death.

Will you kindly let us know if you have any objections to these fulfilments of Gabriela's will.

We have received a letter from C. Della Penna S.A. from Buenos Aires, asking for the authorization to publish four of Gabriela's poems printed on the covers of exercise books for children. They have been doing this with other poets, as shown in the enclosed leaflet. They are not doing business selling the poems themselves and, therefore, ask for permission to print them without payment, because it is a divulgation of Gabriela's work for the children and printed, as aforementioned, on the cover of the books. Will you kindly tell us if we can authorize these publications?

Your prompt reply to this letter will be greatly appreciated by the writer.

Yours very truly,

Benjamin Claro
