RE: ESTATE OF GABRIELA MISTRAL

Gentlemen:-

Under date of February 22, 1957 the Minister of Foreign Relations of Chile wrote a communication to the Consul General of Chile at New York City from which it appeared that Mrs. Palma Guillen de Nicolau had written to you advising you that she was assigning the bequests made to her by the late Gabriela Mistral to the children of Montegrando, Valle de Elqui, Chile.

When the Consul General, Hon. Enrique Bustos, showed me such correspondence I told him that in all probability you would prepare and would send to Mrs. de Nicolau the proper instruments to effectuate such an assignment and I added that if it should be required of me I would be glad to prepare the same if you would not do it.

The Consul General has received another communication from the Minister saying that the Chilean Embassy in Mexico had an interview with Mrs. de Nicolau in the course of which she said she would be glad to execute the instrument of assignment when presented to her either by you or us, and gave instructions to the effect that this be done.

Therefore, will you be good enough to advise me if you want to prepare the same? If you mail it to me I will be glad to take care of its execution.

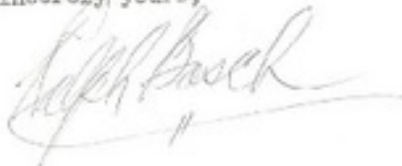

I would also like to know if the Will has been probated, and if so when and where.

Thanking you in advance for the courtesy of a reply,

I am

Sincerely yours,

RB-ss
