Dear Maria Luisa Ibacache:

I am writing to give you permission, subject to conditions listed below, to proceed with the projected book of correspondence between Gabriela and Alfonso Reyes which we discussed on the telephone and about which you have written.

My conditions are the following:

- 1) The proceeds of all royalties due Gabriela's Estate from the sale of books in Chile must go to the children of Gabriela's village, Montegrande, in the Valle of Elqui, as was her wish, expressed in her Last Will and Testament. How this is to be done, we can discuss later.
- 2) As Executrix for her Estate, as well as heir to the copyright of her works, I must approve any Contract set up between you and the Catholic University of Chile. And you will, of course, send me copies of the proposed contracts for approval before any action takes place.
- 3) This contract must also be acceptable to the Estate of Alfonso Reyes.
- 4) Any commentaries, prologues, etc. which may be published in this book must also be subject to my approval.

I would like this correspondence to be published outside of Chile, as well, in order to insure better distribution. When such an opportunity arises we can discuss the matter of where, and under what terms.

I am writing to Gabriela Echeverria of the Catholic University of Chile to express my enthusiasm for this project, and am sending her a copy of this letter.

Once again I want to thank you for all your interest, good work and patience.

Sincerely,
Doris Dana
