My dear Senorita Mistral:

Thank you for your kind letter. I very much hope that you may find it possible to be present here at Mills College on the 8th of June to receive your honorary degree, but quite understand that your responsibility to the eastern United States or your present ill health may prevent you from coming to us. If you find it possible to come to Mills, will you be good enough to notify us of that fact as much in advance as possible so that we may make adequate preparations for your arrival?

Very sincerely,

Lynx White, Jr.,
President
