

August 2, 1965

TO: DONALD C. DAVIDSON, UNIVERSITY LIBRARIAN

This will confirm our plan with respect to the material left by Gabriela Mistral.

Mrs. Arce, 6509 Seville Rd., Goleta, phone 8-2018, is completing an inventory of the papers and objects at 729 E. Anapamu Street. As I shall be on leave beginning August 2, by copy of this letter I am asking Mrs. Arce to call you when she has completed her work. At that time Mrs. Arce, Mr. Sweetser and you may wish to arrange a visit together to go over the material. You should first check with Mrs. Hogan, 3-4625, the tenant, to determine a time convenient for her.

The home in which these materials are found is owned by Miss Doris Dams, Hackgreen Road, Pound Ridge, New York. Her properties are looked after here by Helen Palmer Realty, whose Mr. Rosenberger represents the firm in this matter. Mr. Rosenberger has agreed to loan these manuscripts to UCSB until ultimate disposition can be arranged. Mr. Sweetser believes that the ownership of the papers remains open to question and he has sought information from Chilean authorities concerning this, hoping to hear within two weeks. We have agreed to delay removal to the University of Miss Mistral's papers until Mr. Sweetser hears from Chile. Mr. Rosenberger has been apprized of this delay.

My suggestion, Don, is that you keep on top of this and press to have the materials removed to the University if it seems that there is to be any delay beyond two weeks. I know Mr. Rosenberger will cooperate and I feel certain that Mr. Sweetser will do likewise as he is happy that the University is willing to ensure the security of these papers.

P.S. I enclose Mrs. Arce's partial inventory of the papers.
