

EMBAJADA DE CHILE
WASHINGTON, D. C. 20026

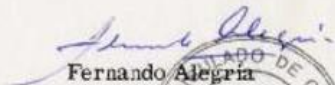

TO WHOM IT MAY CONCERN:

This is to explain to you the qualification and status of the degree Profesora de Estado which Professor Magda Arce holds after graduating from the University of Chile.

This is a five years graduate degree in the Facultad de Filosofía y Educación, Instituto Pedagógico (University of Chile, Santiago), requiring four years of graduate class-work followed by comprehensive examinations and a thesis. This thesis must be a scholarly work and should be published.

The degree in the English speaking world most closely parallel to this degree is an English Litt. D.

Chileans teaching or doing other professional work in the English speaking world quite customarily use the Litt. D. title rather than the Chilean one.
