My dear Magda;

I have written to Miss Mary M. Gordon, Assistant Dean of Women, who helps the women find their housing to help you all she can. Unfortunately the apartment situation in Columbus is very bad. The furnished ones are not very desirable and are expensive. I know from experience that Miss Gordon will not be able to get anything for you until you arrive. But if you make a point of arriving in Columbus earlier than the quarter begins - a week or ten days earlier - she can get you some temporary room which will be free until the quarter starts and which will not be so expensive.

I am interested that you will be at Mills College. I taught there for five years before I went to Ohio. Probably no one there in the summer school will remember me.

The very day I received your letter I also received one from Don Joaquin Garcia who is one of my best friends in San José. I have never met his son but have heard about him. I hope to see much of Don Joaquin and Doña Celia when I go down in September because I am going to be in San José this time instead of being in Heredia.

I am glad to hear about all of your experiences and your wonderful training. You will be very helpful at OSU. We have been talking in the Latin American Committee, of which Dr Hendrix is chairman and to which I belonged, about having some one to build up the Latin American library and you seem to be exactly the one to do it.

If you are in San Diego let me know. I cannot promise to get up to Los Angeles because the traffic is so difficult. We have only an A card for the car.

With cordial personal greetings,

Esther Allen Gaw
