The relationship between the two terms, that is, between the two rates, the growth rate, μ , and gross rate of return,

Other writers, such as Flaubert and Dostoevsky, have also been interpreted as anti-slavery, but in different ways. The French novelist Gustave Flaubert, for example, has been interpreted as anti-slavery by discussing his book *Sainte-Beuve*, which contains many references to the American Civil War.

In contrast, 70% respondents cited 'radiation' as either the main factor behind the increase in cases, while 16% cited 'other' previously unknown sources of transmission and 14% responded that they did not know what caused the increase.

Second, research conducted on the 1990 census data indicates that the most dramatic growth occurred during 1980. This evidence is yet stronger when one considers the number of families. Between 1980 and 1990, the number of families increased by 1,000,000, or 10 percent. In contrast, the number of households increased by only 200,000, or 2 percent.

El punto de vista de los jóvenes "no tiene porvenir" es que "el mundo" no existe. "Vida" y "desarrollo" no lo tienen. "Casa" o "familia" no lo tienen. "Amor" o "amistad" no tienen. "Poder" o "dinero" no tienen. "Felicidad" o "satisfacción" no tienen. "Dolor" o "sufrimiento" no tienen. "Sueño" o "esperanza" no tienen. "Realidad" o "ficción" no tienen. "Ciencia" o "religión" no tienen.
