The following information is taken from the "2000-2001 National Survey of the Construction Industry" by the U.S. Department of Commerce, Bureau of Economic Analysis, released in February 2002. The survey provides information on the construction industry's performance in 2000 and 2001, and is available at <http://www.bea.gov/construction>. The survey is based on data from the U.S. Census of Economic Activities, which is a comprehensive survey of the construction industry's performance in 2000 and 2001. The survey is available at <http://www.bea.gov/construction>.

1. The first step is to identify the problem. In this case, the problem is that the company is not meeting its sales targets.
