

Journal of Management Education

The Journal of Management Education is a peer-reviewed journal that publishes research, theory, and practice in the field of management education. The journal is published by the American Management Education Association (AMEA) and is the official journal of the Association to Advance Collegiate Schools of Business International (AACSB).

The journal's primary focus is on the development and improvement of management education. It publishes research on the effectiveness of management education, the role of management education in the workplace, and the challenges facing management education. The journal also publishes articles on the development of management education programs, the role of management education in the business community, and the impact of management education on society.

The journal is a key source of information for management educators, researchers, and practitioners. It provides a platform for the exchange of ideas and the advancement of the field of management education. The journal is also a valuable resource for the business community, as it provides insights into the latest research and practice in management education.

The Journal of Management Education is a leading journal in the field of management education. It is a must-read for anyone interested in the development and improvement of management education. The journal is a key source of information for management educators, researchers, and practitioners. It provides a platform for the exchange of ideas and the advancement of the field of management education.
