

The creation of the articles of company law (company documents) and articles of association are essential for the smooth running of the company. They are the legal framework for the company's operations and are a key part of the company's governance. The articles of association are the company's constitution and set out the rules for the company's internal affairs. The articles of company law are the legal framework for the company's operations and are a key part of the company's governance. The articles of association are the company's constitution and set out the rules for the company's internal affairs.

Purpose: To determine whether the use of a patient decision aid (PDA) improved patients' understanding of their condition and treatment options.

The authors are grateful to a referee and to participants at the European Association of Agricultural Economists meeting in 2004 for their comments on an earlier draft of this paper. The authors also thank the participants at the 2005 European Association of Agricultural Economists meeting for their comments on a later draft of this paper. The authors are also grateful to the European Union for its financial support under the contract EV5V-CT93-0000.
