

Journal of Economic Surveys

Volume 22 Number 1
February 2008
ISSN 0898-2613
ISSN 1465-3516 (electronic)

Journal of Economic Surveys is the international journal of choice for theoretical and empirical research in economics. It publishes papers on topics such as economic theory, econometrics, applied economics, and related disciplines. Papers often contain extensive bibliographies and provide a critical assessment of the literature. The journal also contains book reviews, news items, and general information on economics. The journal is published bimonthly, providing its readers with up-to-date information on developments in economics. The journal is also open to submissions from all over the world. The journal is peer-reviewed and is committed to maintaining high standards of scholarship. The journal is also open to submissions from all over the world. The journal is peer-reviewed and is committed to maintaining high standards of scholarship.
