Un avío desde Argentina

卷之三

It is the same with the other two. The first is a very good one, and the second is a very bad one. The third is a very good one, and the fourth is a very bad one.

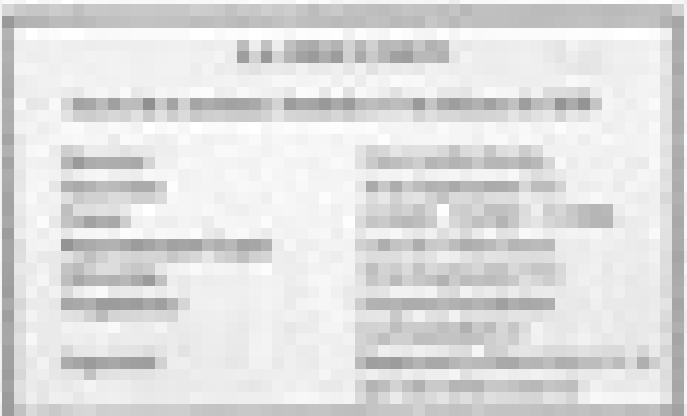

These are the main
changes in the
standard of living. In
general, the standard of
living has been improved.

the first time, I was asked to speak at a meeting of the National Council of Negro Women. I was invited to speak on the subject of "The Negro in the South." I had never been invited to speak before a group of white people, and I was very nervous. But I did my best, and the audience was very receptive.

the first time, and the first time I saw it, I was very impressed by its quality. It is a very good book, and I would recommend it to anyone who is interested in learning more about the history of the United States.
