## Poemas vñamarinos

THE WESTERN ARTISTS OF THE 1960s and 1970s were in search of a new subject matter. The West was a source of inspiration for many of them. They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West.

They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West.

They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West.

They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West. They were looking for a new way to express their feelings about the West.
