Alexander Sargent Ferguson, master carpenter, was born in 1811 in the town of Newburgh, New York. He was the son of John Sargent Ferguson, a well-known local carpenter and builder. Alexander followed in his father's footsteps and became a master carpenter himself.

He was a member of the Newburgh Historical Society and the Newburgh Chamber of Commerce. He was also a member of the Newburgh Masonic Lodge. He was a very active citizen and was involved in many of the town's affairs.

He was a very skilled carpenter and was known for his work on many of the town's most important buildings. He was also a very good businessman and was successful in many of his ventures.

He was a very kind and generous man and was always willing to help those in need. He was a very respected member of the community and was loved by all who knew him.

He was a very hardworking man and was always willing to put in long hours to get the job done. He was a very dedicated man and was always committed to his work.

He was a very intelligent man and was always willing to learn new things. He was a very curious man and was always interested in the world around him.

He was a very brave man and was always willing to stand up for what he believed in. He was a very honest man and was always telling the truth.

He was a very loyal man and was always standing by his friends. He was a very faithful man and was always doing his best.

He was a very good man and was always a pleasure to be around. He was a very great man and was always a source of inspiration.
