en Discusiones y Tesis 2002 p. 2

Identity, region and culture. Three interpretations that in the last few years have appeared in the centers of study superiores, media of communication social or in the critical reviews that are made to the slow march of regionalization and the changes of fondo that the participation social and political has had between us. For this reason it interests and attracts the attention the convocatoria that has been made by the University of the Bío-Bío sede Chillán, through the Department of Arts and Letters (the days 4, 5 and 6 of September of this year) Participants will be in the exhibitions, colloquies and debates distinguished personalities of the ambito cultural and universitario of Chile, Puerto Rico and Argentina. The exhibitors are the following: Jaime Giordano, will present the

essay called "Sueño Literario del Sur"; Juan Gabriel Araya will speak about "Memorial de la noche: lectura mapuche"; Rodrigo Cánovas, docente of the Pontificia Universidad Católica de Chile will give the following text: "Informe clandestino of the literature chilena of today". Zulma Palermo, will present the thesis about "Teoria literaria hispanoamericana o reflexiones of the intellectuals about the literature".
