How serious? "We certainly consider it a serious problem," says a senior U.S. Coast Guard spokesman. "We certainly are in constant dialogue with the Coast Guard and with other agencies and the U.S. Coast Guard is the primary agency for the protection of the marine environment." The Coast Guard is the lead agency for the protection of the marine environment, and the U.S. Coast Guard is the lead agency for the protection of the marine environment.

In 1998, the U.S. Food and Drug Administration (FDA) approved the first generic drug, a generic version of the anti-epileptic drug, carbamazepine. The FDA has since approved several other generic drugs, including a generic version of the anti-epileptic drug, valproic acid. The FDA has also approved several generic versions of the anti-epileptic drug, phenytoin.

U.S. and U.K. studies have shown that people with high scores on the measure of *self-esteem* are more likely to be in abusive relationships and the relationship was mediated by the tendency to "believe in" partners' expressions of dominance or authoritarianism. In contrast, the study of middle-aged women in the Netherlands found that people with high scores on the measure of *self-esteem* are less likely to be in abusive relationships and the relationship was mediated by the tendency to "believe in" partners' expressions of dominance or authoritarianism.

Morte in 1940, anno durante il quale sono stati pubblicati i due romanzi di cui si parla in questa rassegna. In seguito, l'opera di questo scrittore è stata tradotta in italiano da vari editori, ma solo nel 1970, con l'uscita di *Il giardino dei ciliegi*, si è cominciato a conoscere in Italia il suo pensiero. In seguito, si sono pubblicati altri suoi romanzi, eppure quasi nessuno ha mai tradotto in italiano le sue opere. In questo numero della rivista, si pubblicano i romanzi *Il giardino dei ciliegi* e *Il giardino dei ciliegi*, che sono stati tradotti in italiano da Roberto Calasso.

The 1991, 1992, and 1993 surveys have demonstrated that 10 per cent or more of the population in each of the 10 countries is affected by chronic malnutrition, with rates ranging from 10.5 per cent in Bolivia to 19.5 per cent in Chile.

There is some question as to whether the above-mentioned John Howard will continue to be interested in establishing independent think tanks, since he has been appointed to the position of senior advisor to the prime minister.

«Ellos son personas muy activas que poseen el espíritu crítico y las mejores capacidades humanas», dice el Sr. José María Rodríguez, secretario y presidente de la «Asociación de padres de familia de la escuela primaria de San Juan de los Ríos».

En función de estas características sociológicas, el Sr. Rodríguez, al ser consultado, afirma que los niños de esta zona son muy curiosos y muy inteligentes, pero que al mismo tiempo son muy tímidos y muy reservados.
