En 1974, la loi de finances (1974-75) a eu des répercussions importantes sur l'évolution des dépenses de l'Etat. Elle a permis, en particulier, une séparation plus nette des dépenses de la politique intérieure de la politique extérieure. La loi de finances (1974-75) a également eu une incidence sur les dépenses de la politique intérieure, notamment en ce qui concerne les dépenses de la politique intérieure.

La legge internazionale che regola i rapporti con i paesi sottosviluppati è l'articolo 1988 della DITF del 1994, modificata nel 1995. Gli interventi sono governati da tre principi: la solidarietà internazionale, la non interferenza nei problemi interni, e la promozione dello sviluppo. Il primo principio è quello che regola i rapporti con i paesi sottosviluppati, e il secondo è quello che regola i rapporti con i paesi in via di sviluppo. Il terzo principio è quello che regola i rapporti con i paesi in via di sviluppo.

It is common to find that the same characteristic of a person influences the performance of different tasks. For example, a person who is intelligent may also be creative. In this case, the characteristic of intelligence is related to the performance of both tasks. This is a positive correlation. On the other hand, a person who is intelligent may also be less creative. In this case, the characteristic of intelligence is related to the performance of both tasks in a negative way. This is a negative correlation.
