1. HOMENAJE DEL ILUSTRE HOMBRE DE LETRAS SALTA
DE NUEVO A LA REALIDAD EN EL CIELO DE LA
LITERATURA NACIONAL.— EL ESCRITOR DEL
SUFICIENTE MATERIAL INEDITO

The majority of the 1980s film strategy literature has concentrated on identifying ways for governments and international agencies to attract investment in private business and infrastructure development. However, the infrastructure development strategy literature of the 1980s has focused almost exclusively on the role of the government in infrastructure development. This literature has been largely critical of the government's role in infrastructure development and has argued that the government should focus on creating a favorable investment environment and on providing infrastructure services. This literature has also argued that the government should focus on creating a favorable investment environment and on providing infrastructure services. This literature has also argued that the government should focus on creating a favorable investment environment and on providing infrastructure services.
