The first of these is the fact that the
 system of public education is not
 a monopoly of the State, and that
 private schools and universities are
 still in existence. The second is the
 fact that the system of public educa-
 tion is not a monopoly of the State,
 and that private schools and univer-
 sities are still in existence. The third
 is the fact that the system of public
 education is not a monopoly of the
 State, and that private schools and
 universities are still in existence.

Tudo isso ali já foi muito conhecido por todos os brasileiros e agora se tornou novidade para quem não conhece o Brasil. Mas não é só isso que esse livro oferece. Há também uma história de amor entre dois jovens, um brasileiro e uma alemã, que se conhecem no exílio.
