

On Liberty

Para 1104

It is not the business of government to interfere with people in the ways which are most likely to be injurious to themselves.

It is the business of government to protect each person from the others.

It is the business of government to protect every person from the oppression of all the others.

It is the business of government to protect every person from the oppression of all the others. It is the business of government to protect every person from the oppression of all the others. It is the business of government to protect every person from the oppression of all the others.
