

“Un pueblo sin pasado no tiene presente ni futuro”

topical use of salicylic acid is limited by its strong irritant properties and by a 30% w/w concentration limit in the United States. In this study, we have developed a novel formulation of salicylic acid in a polymeric matrix to improve its topical use.

A black and white photograph of a crowd of people, possibly at a protest or public gathering. Two circular frames are superimposed on the image, highlighting specific individuals. The image is tilted and framed by a thick, dark border. The overall style is graphic and high-contrast.
