

Ser Chileno

Fig. 1. The same as Fig. 1, but for the case of the two-dimensional model.

Finally, we present the results obtained by learning from the presented data. We show the effect of partial reply on the performance of the model. The results are as follows.

The first and most important, the first and most urgent task of the administration, is to secure the prompt payment of all debts due to the United States.

The first edition of the *Journal* is now complete, and
will be published in a few days. The second
volume, however, will have to be delayed until
the author has time to go over his notes and
make the necessary corrections and additions.
