

## A OFICIO DE LAS LETRAS

per Filippo Brando Bruno

The year after I was made a Deacon, my grandfather, the Rev. James French, went to Boston, where he became the first Congregationalist minister. He died there, passing away in 1841.

The following recommendations for  
regulating the use of gene patenting were  
presented by the CPTPPC, and the  
Senate passed the legislation on 10 June.  
The bill was signed into law on 17 July. The  
US Senate did not pass the bill, although  
it had passed the House in April.
