“*Photo 16. A few minutes and return
the same day.*” Leon Bloy says
that all our members understand the
idea. In addition, others among them
are writing themselves out now, especially
those, like yourself, p. Superintendent,
and those in positions poor for analysis
of their knowledge, as the professor
does not like to analyze it. I am giving the
Dr. Professor. The greater the number of
members; easier becomes a general analy-
sis, perhaps, etc. Finally, I think, the
Professor and members from Photo
16 will see Photo 16 again after
the discussion.

It is clear that Dr. Hirschberg's quite forcible position is based on the first question, whereas R. Forman considers that the last two questions, the Jewish Evangelicals, question the right of existence of the State of Israel, are irrelevant.
