July 19, 1940. According to him he had
been told that the Japanese had been
in contact with the Chinese and the
Chinese had given them information
of their movements of troops, etc., in
order to help them. He said that the
Chinese, I think, were not informed
as to what was being done.

"Of course, you're probably right about the direction of evolution, but the theory of darwinism is just plain wrong and the fossil record is just plain wrong," he said. "I'm not sure I can say that with the confidence that you can."
