1. *Explain the relationship between the two variables in the graph. Do you think the relationship is causal? Justify your answer.*

the company's 1997 annual report, "We are pleased to announce that we have been named one of the most innovative companies in the world by *Forbes* magazine." The magazine's annual list of innovative companies is based on a survey of industry executives and is widely regarded as one of the most authoritative sources of information on corporate innovation. The company's 1997 annual report also states that the company has been named one of the most innovative companies in the world by *Forbes* magazine for the third year in a row.
