卷之三

Although there has been a great deal written about the history of the American Revolution, there has been little written about the role of women in that revolution. This article will attempt to fill that gap by examining the contributions of women to the cause of independence.

El Planeta o el mundo que yo
presento es también, en su fondo,
el de un pensamiento establecido, que
no es el mío, ni el de los demás. Pero
que no se trata de un pensamiento, si
no de una serie de ideas que se han
desarrollado en la mente de un solo
hombre, llamado Leopoldo Finsch.

2. They are not to be
overlooked, as they
are the most important
basis in the study of
the history of civiliza-
tion. The original
and most important
of these are the
ancient civilizations
of Egypt, Assyria,
Babylonia, Persia,
Greece, and Rome.
The study of these
civilizations is of
great interest, as they
have left us many
valuable monuments
and records which
give us a clear idea
of the character and
influence of these
ancient peoples.
