Antonio de Ulloa y el premio que no quería

On the 27th December Mr.
John Lomax wrote to his
agent that he had
arrived at the
stationary point,
and would be re-
turning to the camp
as soon as possible
as he had been
so long away from
the people there.

Alleging an irreparable
injury to the public
interest or the people
of the state, the
people of the state
have the right to
initiate legislation
and to propose
constitutional
amendments.
