

"Bolaño era un gran conversador"

A black and white photograph showing a person sitting on a wooden bench or bed frame in a room. The person is wearing a dark, patterned garment. Behind them is a large, dark wooden cabinet or wardrobe. To the left, there is a large window with a frame. The room appears to be a simple, possibly institutional or residential, setting. The lighting is somewhat dim, and the overall quality is grainy, typical of older film photography.
