

SIR FRANCIS DRAKE.¹

¹ A fac-simile of a copperplate engraving in H. Holland's *Heroologia*, Arnheim, 1620, p. 105,—a book now rare. There is a copy in Harvard College Library. Cf. also *Magazine of American History*, March, 1883, p. 112, where it is described as 'a portrait of Drake, which is to be seen in the British Museum, and which is also to be seen in the series of heads, London, 1813, p. 47.'
